

We appreciate your interest in the Clarke County Mentor Program and your willingness to become a mentor. Many students in Clarke County would greatly benefit from another caring adult in their lives, and you are helping to meet a great need in our community.

One hour, once a week, for one year – that’s all it takes to make a difference in the life of a child. Thank you for your commitment to making a positive difference in our community. Please do not hesitate to contact us if you need help or have any questions along the way.

We are grateful for you!
