It is also ideal when mentors can rotate Connections classes based on the A/B schedule.</i></p>

## HIGH SCHOOL

School Name	Periods/Times
Cedar Shoals HS	4th period (11:15am-12:55pm) Mon-Fri
Clarke Central HS	Varies per student's elective schedule. (Lunch works, as Cedar says above, but there are space limitations and lunch is only 22 minutes long.) We prefer for mentors to meet with students on a rotating basis so that they don't miss the same class too often and only miss elective courses.
